

PRE-CLASSIS TRAINING FRIDAY OCTOBER 14

In our continual quest to offer the highest quality leadership training, on Friday October 14th, we are delighted to announce the following:

Speaker: John Armstrong

His topic is: "Unity in Christ's Mission: How Christ's Prayer Shapes Our Impact on the World." Jesus prays for our Christian unity in John 17:20-23. What does this unity have to do with the gospel of the kingdom and the real success of our mission? How does our individualism hinder our witness and why are personal relationships so important for making real disciples? We will look at the way we can embrace ecumenism, not simply as an ideal, but rather as a practical community changing corporate witness to the love of Christ for us and the whole world.

John Armstrong is the author of Your Church Is Too Small. He founded the ACT 3 organization which is a ministry committed to equip leaders for unity in Christ's mission.
